

Whether the world is going to
rejig itself or not – it is time you
rejig your life.

Every privilege comes with a responsibility. If you don't take the responsibility, you will lose the privilege.

Sadhguru

The best thing you can do for your children is keeping them the way they were born – an active intelligence, no conclusions.

Sadhguru

Jesus said, "The kingdom of God is within you." Yoga is about experiencing it.

Sadhguru

“God loves me” is of no consequence – he has to love the mistakes that he makes.

Sadhguru

I would say 70% of the ailments in the world could be handled with a better sense of living, eating, and atmosphere.

Sadhguru

Devotion is a dimension that will allow you to sail across even if you do not know the way.

Sadhguru

Vision is not an aggregation of your desires. Vision means seeing a solution for existing situations.

Sadhguru

Everything that happens in the material world is essentially a certain kind of wave. If you are a good sailor, every wave is a possibility.

Sadhguru

Yesterday lives only in your mind.

Sadhguru

Our lives become beautiful not because we are perfect. Our lives become beautiful because we put our heart into whatever we do. May the coming year offer you immense possibilities to touch & transform many lives. With Regards & Blessings,

Sadhguru

How deeply you touch lives around you is how rich your life is. May the coming year offer you immense possibilities to touch & transform many lives. Love & Blessings

Sadhguru

You cannot control human aspirations, but for sure you can control human populations.

Sadhguru

There is too much talk about God, godmen, and goddamn men – only because most of humanity has not realized the immensity of being human.

Sadhguru

Marriage is not about compatibility, companionship, or extracting happiness. It is an opportunity to achieve a union that will open up a greater possibility.

Sadhguru

Whenever you want to create a conducive atmosphere to touch the Divine, light an oil lamp. Agni gives you access to Akash.

Sadhguru

You don't have to withdraw to a mountain cave to turn spiritual. It does not matter where you are or what you do in life. The spiritual process has nothing to do with the outside – it is something that happens within you.

Sadhguru

Every worm, every insect, every animal is working for the ecological wellbeing of the planet. Only we humans, who claim to be the most intelligent species here, are not doing that.

Sadhguru

Changing your attitude is pretense – you cannot keep it up forever. The yogic system is about fundamental transformation – that is what ultimately counts.
